KINGSLEY PRIMARY SCHOOL Newsletter

11.09.26

Tees Valley Music Service

We have had an assembly this week for our Year 3, Year 4, Year 5 and Year 6 children from Tees Valley Music Service (TVMS).

They demonstrated lots of different instruments including trumpet, trombone, clarinet saxophone, oboe, singing and piano.

All of these can be taught in school at a small cost. If your Child is intere4sted please use this link: https://www.tvms.org.uk/register

It would be lovely for some of our Children to be learning different instruments.

Kidzone

KIDZONE 2026-2027

Please ensure all debts from your previous contract have been cleared before you submit a new contract for this year.

Failure to clear any remaining debt may result in your child being unable to attend.

Thank you!

Uniform for Sale

We have a number of Kingsley uniform for sale in the school office. These items are from an old supplier, but all brand new with tags.

All items are half price.

We have jumpers, cardigans, coats, PE uniform, Polo t-shirts. Cash only for these items.

Parking

A gentle reminder, when picking up and dropping off children there are parking permit zones on Taybrooke Avenue, which are for residents only. Also we have had complaints this week regarding the Rec car park. Please take extra care when parking and leaving the car park.

Thank you for your continued support

Tissues A Plea...

If possible, we would like to ask all parents & carers to send in a box of tissues with their child. We have previously provided tissues in school for the children but due to ongoing cost, we cannot afford to supply the whole school anymore. We would be really grateful if everyone could bring one box in. Thank you for your continued support.

KINGSLEY

Keeping children safe online at Kingsley Primary School

At Kingsley Primary School safeguarding is one of the most important responsibilities we hold, which also means safeguarding our students in the online world. As you know, children now use the internet for multiple activities including learning, creativity and collaboration, but with that, there are also potential risks we need to guard against. School works with the specialist safeguarding and security provider Schools Broadband, who provide us with the tools we need to keep your children safe and ensure that any potential safeguarding concerns are identified and addressed promptly. Below is a short summary of the tools we deploy.

Online Filtering

We have an age-appropriate web filtering service to help prevent access to online content that is illegal, inappropriate or potentially harmful. In practice, this means the filter blocks known unsafe websites and content, including content that is unsuitable for children and prevents accidental exposure to harmful material while pupils are researching or browsing for learning.

Online Monitoring

The DfE makes a clear distinction between filtering and monitoring: whereas filtering is preventative and helps stop pupils reaching harmful content in the first place, monitoring is reactive and involves real-time alerts to help our teachers spot concerning activity so that we can respond appropriately and call in our specialist safeguarding staff if necessary. Our monitoring solution is also able to capture and assess risks even when a device is offline, ensuring no gaps in our monitoring.

Safeguarding Concerns

If we receive an alert that suggests a pupil may be at risk, our staff follow the school's safeguarding procedures and involve our Designated Safeguarding Lead (DSL), as needed. This is part of the school's wider safeguarding responsibilities, which include recognising that children can be harmed online as well as offline.

Protecting your children at home

If you need further help and advice you might find some of the links below useful:
Government advice and a hub of parent resources:
Support for parents and carers to keep children safe online(GOV.UK)
Practical "getting started" guidance: Kids Online Safety campaign (GOV.UK)
Help with parental controls, apps, devices and screen time: Internet Matters
Guidance and conversation starters for families: NSPCC online safety
Support and advice for parents/carers: UK Safer Internet Centre
If you're worried about exploitation/grooming: Thinkuknow (NCA-CEOP)

Try to talk regularly about online life, set age-appropriate boundaries, and use parental controls where possible.
