Y6 Carlton Camp

Y6 children go to Carlton Camp on Monday!

Please make sure payments are made to your payment plans.

We hope the children have the best time, making memories for life with their friends.

Pictures will be uploaded to Class DoJo.

Amazing!

We just had to get a picture today of Miss Murphy and her mini Murphettes!

All the girls looked so good stood together matching!

Well Done

On Monday, 10 girls and 10 boys from Y5 attended a T5 Rugby development session at Hartlepool Rugby club. Everyone had lots of fun and learned new skills whilst playing some friendly games against other schools from the town.

Well done to all the teams involved.

Headteacher Awards

A huge well done to Finley, Millie, Autumn, Kae'lahni and Luna who have all been working extra hard this week and received Headteacher awards. Fantastic!

Y6 Parents...

Have you applied for your Childs secondary place?

The deadline for Secondary applications is 31st October. Please apply online as soon as possible, if you have not already done so. Linked below.

Keeping children safe online at Kingsley Primary School

At Kingsley Primary School safeguarding is one of the most important responsibilities we hold, which also means safeguarding our students in the online world. As you know, children now use the internet for multiple activities including learning, creativity and collaboration, but with that, there are also potential risks we need to guard against. School works with the specialist safeguarding and security provider Schools Broadband, who provide us with the tools we need to keep your children safe and ensure that any potential safeguarding concerns are identified and addressed promptly. Below is a short summary of the tools we deploy.

Online Filtering

We have an age-appropriate web filtering service to help prevent access to online content that is illegal, inappropriate or potentially harmful. In practice, this means the filter blocks known unsafe websites and content, including content that is unsuitable for children and prevents accidental exposure to harmful material while pupils are researching or browsing for learning.

Online Monitoring

The DfE makes a clear distinction between filtering and monitoring: whereas filtering is preventative and helps stop pupils reaching harmful content in the first place, monitoring is reactive and involves real-time alerts to help our teachers spot concerning activity so that we can respond appropriately and call in our specialist safeguarding staff if necessary. Our monitoring solution is also able to capture and assess risks even when a device is offline, ensuring no gaps in our monitoring.

Safeguarding Concerns

If we receive an alert that suggests a pupil may be at risk, our staff follow the school's safeguarding procedures and involve our Designated Safeguarding Lead (DSL), as needed. This is part of the school's wider safeguarding responsibilities, which include recognising that children can be harmed online as well as offline.

Protecting your children at home

If you need further help and advice you might find some of the links below useful:
Government advice and a hub of parent resources:
Support for parents and carers to keep children safe online(GOV.UK)
Practical "getting started" guidance: Kids Online Safety campaign (GOV.UK)
Help with parental controls, apps, devices and screen time: Internet Matters
Guidance and conversation starters for families: NSPCC online safety
Support and advice for parents/carers: UK Safer Internet Centre
If you're worried about exploitation/grooming: Thinkuknow (NCA-CEOP)

Try to talk regularly about online life, set age-appropriate boundaries, and use parental controls where possible.
