School Meal Changes

Important information about changes to Free School Meals for academic year 2026/2027

PRICE INCREASE FROM SEPTEMBER 2006—£3.43 PER DAY, £17.15 PER WEEK

As you are aware transitional protections, which have been in place for pupils eligible to Free School Meals since 2018 will end at the end of the 2025/2026 academic year.

These means all children currently in receipt of free school meals will have their entitlement reviewed for the academic year 2026/2027. Entitlement will then be reviewed on annual basis.

However, from the start of 2026 to 2027 academic year FSM eligibility is being expanded to all children from households in receipt of Universal Credit regardless of household earnings.

This means households in receipt of Universal credit with an annual household income above £7400 will **now qualify** for free school meals.

There is no change to the application process however, based on the change in eligibility, we would urge you to encourage parents in receipt of Universal Credit to make a claim for Free school meals using the online application on the Hartlepool Borough Council website confirming they wish to claim from September 2026.

Alternatively, they could scan the QR code on the attached poster which will take them directly to our application form.

Today Kingsley hosted their annual Girls Football Tournament in which teams from West Park, Fens and St Teresas participated. The final between Kingsley and St Teresas resulted in a win for St Teresas! Well done! Our girls Amber, Laila and Esme received special mentions and certificates for their excellent sportsmanship throughout the day. Well done to everyone who took part!

Headteacher Awards

A huge well done to Alexander, Venus, Zaine and Leon who have all worked extra hard this week and have all received a Headteacher award! Amazing!

Well Done!

Well done to Jesse, who has been working extra hard at his Football club!

Y5 Parents...

Can all Parents please check their ParentPay account for the upcoming trip to York. 33 out of 57 people have paid, and unless we get more payments, the trip could be cancelled.

School Debts

Please make every effort to pay off your Kidszone, Breakfast club and Nursery provision before we break up for summer.

Warm Weather

With the warmer weather approaching, please make sure you apply sun cream to your child every morning before school. Please make sure they have cap in school.

Keeping children safe online at Kingsley Primary School

At Kingsley Primary School safeguarding is one of the most important responsibilities we hold, which also means safeguarding our students in the online world. As you know, children now use the internet for multiple activities including learning, creativity and collaboration, but with that, there are also potential risks we need to guard against. School works with the specialist safeguarding and security provider Schools Broadband, who provide us with the tools we need to keep your children safe and ensure that any potential safeguarding concerns are identified and addressed promptly.

Below is a short summary of the tools we deploy.

Online Filtering

We have an age-appropriate web filtering service to help prevent access to online content that is illegal, inappropriate or potentially harmful. In practice, this means the filter blocks known unsafe websites and content, including content that is unsuitable for children and prevents accidental exposure to harmful material while pupils are researching or browsing for learning.

Online Monitoring

The DfE makes a clear distinction between filtering and monitoring: whereas filtering is preventative and helps stop pupils reaching harmful content in the first place, monitoring is reactive and involves real-time alerts to help our teachers spot concerning activity so that we can respond appropriately and call in our specialist safeguarding staff if necessary. Our monitoring solution is also able to capture and assess risks even when a device is offline, ensuring no gaps in our monitoring.

Safeguarding Concerns

If we receive an alert that suggests a pupil may be at risk, our staff follow the school's safeguarding procedures and involve our Designated Safeguarding Lead (DSL), as needed. This is part of the school's wider safeguarding responsibilities, which include recognising that children can be harmed online as well as offline.

Protecting your children at home

If you need further help and advice you might find some of the links below useful:

Government advice and a hub of parent resources:

[Support for parents and carers to keep children safe online \(GOV.UK\)](#)

Practical "getting started" guidance: [Kids Online Safety campaign \(GOV.UK\)](#)

Help with parental controls, apps, devices and screen time: [Internet Matters](#)

Guidance and conversation starters for families: [NSPCC online safety](#)

Support and advice for parents/carers: [UK Safer Internet Centre](#)

If you're worried about exploitation/grooming: [Thinkuknow \(NCA-CEOP\)](#)

Try to talk regularly about online life, set age-appropriate boundaries, and use parental controls where possible.
