

**School breaks up for Summer today!
We return back on Wednesday 2nd
September.**

What a year it's been. We've had fantastic sporting events, brilliant SATs results, amazing adventures at Carlton Camp and made memories to last a lifetime.

We are looking forward to meeting our new Reception starters in September.

Good luck to all our Y6 Leavers—remember...
Once a Kingsley Kid, always a Kingsley Kid!

Keeping children safe online at Kingsley Primary School

At Kingsley Primary School safeguarding is one of the most important responsibilities we hold, which also means safeguarding our students in the online world. As you know, children now use the internet for multiple activities including learning, creativity and collaboration, but with that, there are also potential risks we need to guard against. School works with the specialist safeguarding and security provider Schools Broadband, who provide us with the tools we need to keep your children safe and ensure that any potential safeguarding concerns are identified and addressed promptly.

Below is a short summary of the tools we deploy.

Online Filtering

We have an age-appropriate web filtering service to help prevent access to online content that is illegal, inappropriate or potentially harmful. In practice, this means the filter blocks known unsafe websites and content, including content that is unsuitable for children and prevents accidental exposure to harmful material while pupils are researching or browsing for learning.

Online Monitoring

The DfE makes a clear distinction between filtering and monitoring: whereas filtering is preventative and helps stop pupils reaching harmful content in the first place, monitoring is reactive and involves real-time alerts to help our teachers spot concerning activity so that we can respond appropriately and call in our specialist safeguarding staff if necessary. Our monitoring solution is also able to capture and assess risks even when a device is offline, ensuring no gaps in our monitoring.

Safeguarding Concerns

If we receive an alert that suggests a pupil may be at risk, our staff follow the school's safeguarding procedures and involve our Designated Safeguarding Lead (DSL), as needed. This is part of the school's wider safeguarding responsibilities, which include recognising that children can be harmed online as well as offline.

Protecting your children at home

If you need further help and advice you might find some of the links below useful:

Government advice and a hub of parent resources:

[Support for parents and carers to keep children safe online \(GOV.UK\)](#)

Practical "getting started" guidance: [Kids Online Safety campaign \(GOV.UK\)](#)

Help with parental controls, apps, devices and screen time: [Internet Matters](#)

Guidance and conversation starters for families: [NSPCC online safety](#)

Support and advice for parents/carers: [UK Safer Internet Centre](#)

If you're worried about exploitation/grooming: [Thinkuknow \(NCA-CEOP\)](#)

Try to talk regularly about online life, set age-appropriate boundaries, and use parental controls where possible.

We're heating up summer holiday fun!

Hartlepool Holiday Fun is back this summer with a packed programme of activities for eligible school-aged children.

From beach games and outdoor adventures to sports, arts, STEM (science, technology, engineering and maths) and more, there's something for everyone – and every session includes a healthy meal.

The programme is available to children receiving benefits-related free school meals, with some additional places available. Some providers may also offer paid spaces at reduced rates, plus breakfast and after-school clubs.

Booking opens at 4pm on Wednesday 24 June at eequ.org/hartlepoolholidayfun

No account is needed to book, and you can register multiple children at once. Eequ also lets you view schedules, get reminders and message providers.
